**February 13, 2015**  
**NOTICE OF JOB VACANCY**  
**#15-23**

An opportunity currently exists in the unclassified service within the Department of Law and Public Safety, Division of State Police, applicants who meet the requirements listed below:

**TITLE:** Special Investigator

**SALARY:** \$75,000.00- \$80,000.00

**LOCATION:** Division of State Police  
Regional Operations Information Center  
River Road  
W. Trenton, NJ 08628-0068

**NUMBER OF POSITIONS AVAILABLE:** Two (2)

**DUTIES**

Under the direction of a supervisory official in the Regional Operations Intelligence Center, performs analytical research and reporting activities in order to identify and mitigate potential criminal or homeland security threats. Collects, analyzes and reports information and data; identifies and extracts essential information from intelligence sources; analyzes data and synthesizes the information into intelligence reports; provides the result of research and analysis in both written and oral formats; conducts geo/spatial analysis of past incidents to predict emerging trends; analyzes raw report intelligence using various forms of media, documents, and general information to determine patterns; performs domain analysis to articulate the existence of criminal and homeland security threats in the area of responsibility; performs strategic analyses and conducts studies to identify criminal and homeland security threats and trends; provides intelligence-led support to other agencies; liaise with investigative squads and field units on-site or at headquarters venue and assess and communicates real-time analytic judgments regarding specific threats and intelligence gaps.

**REQUIREMENTS:**

**EDUCATION:**

Graduation from an accredited college or university with a Bachelor's degree. A Master's degree is preferred.

**EXPERIENCE:**

One (1) year of experience researching data and information in a government or research center utilizing standard research methodologies and technologies for criminal threat or homeland security programs, analyzing information and data to identify threats, and preparing analytical intelligence reports.

**SPECIAL NOTE:**

Appointee must be eligible to obtain a national security clearance to engage in the duties and responsibilities of this position.

**LICENSE:** Appointee will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

***If you possess the required experience and education and are interested in the above position, please send a letter of interest (including job vacancy number) and current resume, copy of applicable transcripts, licenses, and certifications no later than the closing date of March 5, 2015 to:***
